<b>GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:</b>									
<p>1. On Friday, July 26, 2013, at approximately 6:18 a.m., the D.C. Fire Department (DCFD) &amp; Emergency Medical Services (EMS) received a call for "an odor of smoke" coming from 14<sup>th</sup> Euclid Street NW. Upon arriving on the scene, the Fire Department and EMS personnel forced entry into the apartment and pulled the decedent from the unit. The decedent was severely burned and suffered from apparent multiple gunshot wounds. Medic units were summoned and transported the decedent by ambulance to Washington Hospital Center (MedStar) where he was pronounced dead by Doctor Trankiem at 6:44 a.m. Patrol officers from the Third District were later dispatched to the scene to assist the Fire Department with an unsecured door at 6:54 a.m. The decedent's remains were transported to the Office of the Chief Medical Examiner where an autopsy was performed. The decedent was subsequently identified as Randolph Scott Harris Jr.</p> <p>2. On Friday, July 26, 2013, Dr. Lois R. Goslinoski of the District of Columbia Medical Examiner's Office performed an autopsy on the decedent, Randolph Scott Harris Jr. Dr. Goslinoski advised that the decedent sustained three gunshot wounds. Doctor Goslinoski ruled the cause of death to be from gunshot wounds and injuries suffered from being set on fire while alive and the manner of death being homicide.</p> <p>3. As a result of the decedent's murder, the Metropolitan Police Department (MPD) Homicide Branch initiated an investigation. It was determined that the decedent operated a 2006 Silver/Grey 4 Door Mercedes R series, SUV-style truck bearing Maryland tag 7AL7802. This vehicle was not on the scene at the time of the decedent's discovery. The vehicle did not have a tracking device installed. The vehicle was placed into W.A.L.E.S. as a stolen vehicle. The License Plate Reader (LPR) system was queried, which showed on July 25, 2013, at approximately 9:25 p.m., the vehicle was photographed at the intersection of Mount Olivet Road and West Virginia Avenue, Northeast. At the time of this writing, the vehicle has not been recovered.</p> <p>4. The Homicide crime scene is located inside of 1034 Euclid Street, Northwest #203. The unit is a two bedroom</p>

Jw  
B

apartment in a three-story apartment building. When you enter the front door there is a clear indication that a fire was set in the corner of the living room area near the window. The carpeted floor has approximately one inch of water. There is a burned wicker chair in the corner atop of burned sheets, covers, pillows, clothing and other items. It appears that the articles previously listed were set afire beneath the wicker chair where the decedent had been seated. There is another wicker chair in the living room area with the rear of that chair severely burned. It was determined that the sprinkler system was activated and suppressed the fire prior to DCFD arriving.

5. A search warrant for the entire premises of 1 [REDACTED] Euclid Street, Northwest # [REDACTED], was executed on July 26, 2013. Recovered during the search were several iPhone boxes and an iPad box (without iPhones or iPad inside) were recovered. The boxes contained stickers on the rear with the serial numbers of the items that would have been contained within the boxes.
6. While on the scene of the search warrant, a witness (hereinafter referred to as W1) asked to speak to this affiant. During the meeting with W1, W1 turned over a black plastic bag which was tied up. W1 advised that IT obtained the black plastic bag from persons located inside of an apartment in the 400 block of Evarts Street, Northeast. Inside the plastic bag (which was not yet opened by this affiant) appeared to be a tablet and cellular telephones, based on shapes and sizes. W1 explained that IT was previously told that the decedent's cell phone and iPad could be found inside the apartment in the 400 block of Evarts Street, Northeast.
7. The black plastic bag was turned over to a CSID officer and an inventory was done of the items located within the black plastic bag. CSID officers advised the items listed contained within the black plastic bag were: an iPad 16GB serial number DR6HH9DMDKPH; an iPhone 5 IMEL 013424009730587/ FCC ID BCG-E2499A/ IC 579CE2599A; an iPhone 4 FCC ID BCG-E2422A/ EMC NO 2422; and an iPod Touch.
8. A comparison was done with the information received from the CSID officer, finding matches between the serial numbers on the iPad 16GB and iPhone 5 and the iPad 16GB box and iPhone 5 box recovered from the decedent's bedroom.
9. During the course of this investigation several other witnesses were located and interviewed. A witness (hereinafter referred to as W2) was interviewed. W2 reported that on July 26 at approximately 8:04 a.m., IT heard a knock on the living room window of an apartment in the 400 block of Evarts Street, Northeast. W2 reported IT observed Jermaine through the window pane of the apartment building door. W2 has known Jermaine over ten (10) years. W2 stated that Jermaine entered the Evarts Street apartment and explained that it was unusual for Jermaine to appear at the apartment unannounced, as Jermaine typically called before he came to visit. Jermaine did not act like himself and appeared to be in a hurry. W2 reported that Jermaine gave W2 a black plastic bag to hold for him and instructed W2 not to give it to anybody. W2 advised that Jermaine then left the apartment. W2 placed the black plastic bag in the living room area. The plastic bag handles were tied in a knot and the bag appeared to contain an electronic tablet. W2 advised IT never untied the bag and never looked inside and was unaware what was in the bag.
10. W2 advised this was the first time Jermaine asked IT to hold anything for him. A short time later, sometime between 12:00 p.m. and 1:00 p.m. on July 26, W2 heard another knock on the living room window at the Evarts Street apartment and then heard the doorbell ring. Jermaine was seen at the entrance of the apartment building and was then allowed to enter the apartment. At the time, Jermaine had a backpack and asked to use the bathroom. Jermaine went to the bathroom for several minutes and then emerged. He then left the apartment without asking for the black plastic bag.
11. At approximately 2:47 p.m. that same day, W2 received a call and was told that the family of the decedent wanted the bag that Jermaine left. W2 agreed to provide the bag to the family. W2 advised that an individual responded to IT's home a short time later and that W2 gave the black plastic bag to that individual.
12. At the conclusion of the interview, this affiant showed W2 a single color MPD photograph of Jermaine Brown (PDID: 475-368) for the purpose of confirmation. W2 confirmed that the individual depicted in the photo is the same person IT knows as Jermaine and is the same individual who gave W2 the black bag on Friday morning at 8:04 a.m. Jermaine Brown will hereinafter be referred to as Defendant or D1.
13. On July 27, 2013, this affiant, along with Detective Giannakoulis responded back to interview W2; however, before

the interview could begin, W2 received a call from D1, who stated that he was out back and for W2 to open the door. This affiant, along with Sergeant Finkelman and Detective Giannakoulis, responded to the rear of the location and stopped D1. D1 identified himself as JERMAINE BROWN. D1 was temporarily handcuffed until it was determined that he was not armed. The handcuffs were taken off of D1. During the ensuing discussion, D1 initially wanted to talk about a robbery that occurred two days prior. D1 stated that it started at 11th and Euclid and ended at 3800 14th Street, Northwest. D1 provided this writer with his cell phone number as 202-400-6481; a record check showed this number comes back to D1's current girlfriend, later identified as W4. D1 was advised that we would like to interview him at the Homicide Branch and that it was totally voluntary. D1 agreed to respond back to the Homicide Branch to be formally interviewed. Once back at the Homicide office, D1 was placed in the interview room. Det Giannakoulis and this affiant left the room for a few minutes and while alone, D1 talked to himself, stating "I don't know what the hell I got myself into now. The damn police, this shit must be serious."

14. Detective Giannakoulis explained extensively to D1 that he was not under arrest and that the door locks when closed, but that D1 was not locked in and was free to leave if he chose to. Neither Detective Giannakoulis nor this affiant was wearing service weapons. D1 advised us that his cousin Tammy took his cellphone the day before (Thursday). D1 went on to explain about a robbery that took place on Thursday inside of his apartment building, which he said was at 3800 14<sup>th</sup> Street, Northwest. He indicated that he didn't recognize the guy who robbed him. However, he first noticed this person at 11th and Euclid Streets, Northwest. He indicated the robbery occurred during the early morning hours of July 25, 2013. He described the person as having a revolver that looked like a .38. He indicated that all he knows about guns were "38 and 22's" (typically, small caliber revolvers).

15. D1 advised that on Thursday he was down on Euclid visiting friends and that he grew up on that side of town on 11th Street. He reported that he would visit the decedent, who he called by the nickname "Man;" however, he said he had just met Man. D1 referred to Man as gay and that Man tried to "holla" at him (tried to talk to establish a relationship). D1 informed this affiant that he doesn't do that, referencing Man trying to talk to him. D1 reported that Man kept trying to get him into his house and that Man started giving him things like iPhones and an iPad. D1 further stated that Man tried to give him stuff on Monday, Tuesday or Wednesday.

16. D1 also advised that he was "dealing with" a female at the 1034 Euclid Street address, who is later identified in this warrant as W3. W3 denied any relationship with D1. D1 acknowledged hanging in the 1100 block of Euclid Street and that he grew up in the area.

17. D1 advised that he, W4, Man and another friend rode over to Evarts Street to hit a "sherm" (PCP cigarette). He advised that after they left, they went to a gas station on Harvard Street and Man started to argue with him about where is his iPad. D1 said he told him to back track and reported he hasn't seen Man since. D1 was told that iPhones have signals that provide their locations and that based on that signal, police tracked the phone to Evarts Street on Friday. D1 then stated that his last day around there was Wednesday. As stated below, W4 later denied that this event ever took place.

18. D1 was told that the FBI was videotaping around Evarts Street and the video surveillance caught him going inside the apartment in the 400 block of Evarts Street at the same time as the iPad and iPhone were entering the premises. Initially, D1 denied going there, but then admitted going inside to use the bathroom. D1 indicated he had a discussion with W2 about the plastic bag. D1 then stated that he remembered going there two times but thought it was on two different days. Detective Giannakoulis and this affiant left the room and D1 began to talk to himself, trying to recall the events

19. D1 was told that on the morning of July 26, 2013, it shows the electronics leaving the 1000 block of Euclid and going to the 400 block of Evarts Street, Northeast. He advised there was no iPad or iPhone in his bag and that he just had a little marijuana and 2 "sherm" sticks. He asked if he was a suspect and was told that we didn't get to that point yet. D1 then stated he came back through Evarts carrying a bag, when asked what kind of bag, he advised the kind that comes from the store. He reported that he came back and asked W2 for the black bag and money W2 owed him. D1 then advised that he got a black plastic bag from a store. He called and said he was going to bring her stuff (PCP) and that he needed that bag, because Man wanted his things. D1 advised he remembered leaving from his mother's house and had a black bag with sheets and funnels (tobacco product), but there were no gadgets in the bag. He described the bag as a little black bag, plain regular bag.

3  
B

20. D1 was told that we recovered a bag and that it contained electronic devices that were taken from Man's apartment. D1 denied having the stolen items and said that Man asked him about the items on Wednesday. D1 was told his fingerprints were on the items and he denied touching the items. He then recalled that he may have touched the items during the Fourth of July, when they were sitting in the back looking at gadgets. D1 stated that Man would let them check out the items and that he may have touched them then or at a different time.
21. D1 reiterated there were no gadgets in the bag, just sheets and funnels, described as "roll up" stuff. D1 was told there was just one black plastic bag recovered and that it contained the stolen items from Man's apartment. D1 advised that he got the black bag from his house. D1 denied ever being in Man's apartment, so there should be no fingerprints found inside the apartment. D1 further stated that he stayed Thursday night at his girlfriend's house (referred below as W4). He informed us that Man was messing with drug dealers and that Man smoked but didn't smoke PCP. He advised that Man was gay and he denied ever "going that way" because something is wrong with it and he sees a problem with it. He described it as being nasty. D1 denied having a black bag with gadgets. D1 said he was back and forth on Euclid Street between 10:00 p.m. on Thursday and 6:30 a.m. on Friday. D1 told us many different versions of what he did Thursday night leading into Friday morning. The interview concluded and D1 was dropped off by this affiant and Detective Giannakoulis.
22. After interviewing D1, we re-interviewed W2, who reported receiving three (3) text messages from D1 in the early morning hours of July 27, 2013. The messages were: "Wya u at im driving" - time stamped 1:51 a.m.; "Got the juice too" - time stamped 1:52 a.m.; "can u call me please" - time stamped 8:27 a.m. Several minutes later after we arrived, W2 received an incoming call from D1 and placed the call on speaker so that it could be heard by the affiant and Detective Giannakoulis. W2 answered the phone and D1 said "hey moe, the police with you?" W2 told D1 no and that the police executed a search warrant at the house. D1 told W2 "let them peoples know when I walked into the house with the black bag they were sheets of paper." D1 asked "what they get out of your house?" W2 told D1 that the police got the black bag. W2 asked D1 if he is ok. D1 told W2 "they are trying to get me to put me with the crime scene." Shortly thereafter, the call was concluded.
23. Another witness was located and interviewed, hereinafter referred to as W3, who recalled the following events occurred during the early morning hours of Friday, July 27, 2013. W3 advised that at approximately 12:30 a.m., IT was sitting on the wall in front of [REDACTED] Euclid Street for approximately 10 minutes when D1 appeared riding a bicycle. [REDACTED] Euclid Street is a two-story apartment building that is next to 1034 Euclid Street. W3 reported that D1 asked if the doors to the apartment buildings were unlocked. W3 indicated that D1 then asked IT to watch his bike. As W3 and a friend were seated directly in front of [REDACTED] Euclid Street, D1 walked over to the [REDACTED] Euclid building, walked up the steps, and went into the building through the front door. W3 advised they waited for approximately 30 minutes for D1 to come back. Because D1 was taking too long, W3 placed the bike in the hallway of [REDACTED] Euclid Street near the mailbox. W3 advised when D1 originally showed up on his bicycle, he did not have any bags nor did he have a backpack.
24. W3 further advised that IT and the friend hang out on the back of [REDACTED] Euclid Street on a daily basis. The back area of that building connects to the back of the [REDACTED] Euclid building. W3 reported that Man (decedent) did not regularly hang out in the back and if he did come out back, it would normally be in the evening to walk his dogs. W3 did not know that D1 knew Man or even spoke to Man.
25. W3 stated that IT and the friend left the bike in the hallway and began to walk to the store. At that point, W3 saw 2 other persons in the back area, but not D1. W3 indicated that when they walked off, they walked eastbound on Euclid Street (towards Sherman Avenue) and while walking, W3 and the friend heard screaming. W3 was certain the screaming was coming from the [REDACTED] Euclid building. W3 and the friend arrived back at [REDACTED] Euclid Street at approximately 2:00 a.m. and when they returned, D1 was now in the back with the 2 other persons. W3 advised that while they were out back, no other persons came out back from either building. W3 said they were all smoking marijuana in the back area of the buildings. W3 noted that when IT came back, D1's bike was not where W3 left it, nor was it in the back with D1.
26. W3 was shown a single color MPD photograph of Jermaine Brown (PDID: 475-368) for the purpose of confirmation. W3 confirmed that the individual depicted in the photo is the same person IT knows as Jermaine and the same person who came on the bicycle. W3 reiterated that Man did NOT hang out in the back with them and that he didn't do the same things they did (smoke drugs). W3 advised that Man worked with kids at the recreation center.

27. W3 reported that D1 would come around often and hang out with them on the back. W3 advised that on July 26<sup>th</sup>, D1 left at approximately 2:35 a.m., exiting through the rear door of 1[REDACTED] Euclid Street. W3 left at approximately 02:50 a.m. to go to bed. W3 said that when IT walked to the store, returned from the store, and left the back area, the decedent's car was parked in front between [REDACTED] and [REDACTED] Euclid Street, Northwest. After the DCFD arrived and the building was evacuated, W3 noticed that the decedent's vehicle was NOT parked where W3 observed it approximately 3 hours earlier.

28. W3 further stated that IT was later told by a family member (of W3) that the family member had observed leaking water from the decedent's apartment at approximately 5:00 a.m.

29. Another witness, hereinafter referred to as W4, was located and interviewed. D1 and W4 have been in an on-again and off-again romantic relationship for several years. Initially, W4 tried to provide an alibi for D1. She reported that D1 spent Thursday night at her house. D1 arrived at her apartment at 10:00 p.m. and departed at 5:00 a.m. Detectives asked her if she was sure D1 stayed the entire night at her apartment. Detectives told her that D1 told us that he was on Euclid Street in the early morning hours of Friday, July 26, 2012. W4 changed the version of events for Thursday night into Friday morning, now stating that D1 arrived at her apartment around 10:00 p.m. Thursday evening and stayed for a short time, then left. D1 did not return until 5:00 a.m. on Friday, July 26, 2013. W4 changed her story once again and reported that the sun was coming up when D1 returned. Lastly, W4 denied what D1 said about going with D1, W4, and Man over to Evarts Street to hit a "sherm" (PCP cigarette), then going to a gas station on Harvard Street (where, according to D1, Man started to argue about the iPad).

30. This affiant and Detective Giannakoulis re-interviewed D1 after he voluntarily responded to the Homicide Branch on his own. D1 reported that he was intoxicated during the initial interview with detectives on Saturday, July 27, 2013. Your affiant did not notice anything about D1 that would indicate he was in any way intoxicated. Before proceeding any further with the interview, detectives asked him if he was under the influence of alcohol and/or drugs. He assured detectives that he was NOT under the influence of alcohol or drugs.

31. D1 stated that he went to W2's apartment on Friday, July 26, 2012, at approximately 8:04 a.m., and left a black bag. Detectives confronted him about the inconsistencies in his statements. D1 stated that his bag contained papers and was light in weight, not heavy. D1 initially stated that on Thursday, July 25, 2012, he slept at his mother's house. Detectives told him that residents in the 1000 block of Euclid Street, Northwest, observed him in the rear of [REDACTED] Euclid Street, Northwest (decedent's apartment building) on Friday, July 26, 2013, between 1:00 and 3:00 a.m. D1 confirmed that he rode his bike to the 1000 block of Euclid Street in the early morning hours of Friday, July 26, 2013, and observed two friends. He reported entering [REDACTED] Euclid Street, Northwest (decedent's apartment building), walked to the second floor of the apartment building past the decedent's apartment and down a flight of steps to the rear of the apartment building. He explained that the rear of the decedent's apartment is a place where several residents socialize and smoke marijuana in the late evening into the morning hours.

32. D1 continued that at approximately 3:00 a.m., he went to the rear hallway of [REDACTED] Euclid to get his stash of marijuana. He entered the hallway and found a black plastic bag. He looked inside the bag and discovered all the "gadgets." He took the black bag and placed it inside his book bag. None of the residents or his friends saw him place the black bag inside his book bag. He took the bag and went to his mother's house, then to his girlfriend's house, and dropped it off at W2's apartment. He reported that he instructed W2 to sell all the items and "break the bread down with him" (split the money).

33. Detectives exited the interview room and D1 began to talk to himself. He took a final sip of his Gatorade and stated "I knew I should have left that damn black bag alone." He placed the plastic bottle in his left hand. He struck the bottle to the left side of his head while stating "stupid, stupid, stupid." He then stated "I knew I should left that damn bag alone it I knew it was too sweet to be true, damn Man." Detectives re-entered the room and continued the interview. Detectives asked him "Did you text W2 at any time that you were driving?" He stated "What was I driving? Oh here we go" and he started smiling. He replied "I stole Man's car one day 'cause I had the extra key." D1 continued that he stole the extra key to the decedent's vehicle (Mercedes Benz) while driving around with the decedent earlier in the week. Initially, he stated that he stole the vehicle on Wednesday night. He then admitted taking the vehicle and stated "I was trying to give it to a chop shop but no one was trying to take the mother fucker." He said he was trying to obtain \$1,500 dollars for the stolen vehicle. Detectives told him the vehicle was captured by MPD's LPR at the intersection of West Virginia Avenue and Mount Olivet Road, Northeast, on Thursday, July 25, 2013 at 9:25 pm. D1 then changed his story once again, now

SW  
18

admitting that he drove through the intersection on Thursday evening and "showed off" for his girl. Detectives asked him "Did he (referring to the decedent) give you that key?" D1 replied "I told you I stole that joint."

34. D1 stated that he was riding around in the stolen Mercedes and said "I was stuntin" [turning people's heads]. D1 agreed to show the detectives where he parked the stolen vehicle. We got into an unmarked police cruiser and he sat in the front passenger seat. He directed us to Franklin Street, Northeast - specifically the intersection of 10th and Franklin. D1 then changed it to the 600 block of Evarts Street, Northeast. He stated that he initially parked the stolen vehicle in the 600 block of Evarts Street and then parked it in front of [REDACTED] Kendall Street, Northeast. We never located the stolen vehicle and D1 was unable to provide a rational explanation regarding what happened to the vehicle.

35. Detectives asked D1 how long he was in his possession of the black bag before he took it to W2's house. He replied "a good seven hours." He corrected himself and changed it to five hours. Detectives asked him "What was in the bag?" D1 responded that the black bag contained an iPad, iPhone 5, iPhone, and an iPod. He stated that the iPod belonged to him and that it contained photographs of himself and W4.

36. D1's final version of events is that he found the black bag in the hallway of 1 [REDACTED] Euclid Street at 3:00 a.m. on Friday, July 26, 2013. D1 placed it in his book bag and rode his bicycle to his mother's house. Around 5:00 a.m., he stole the decedent's Mercedes, which was parked in front of the building. Finally, D1 added that he occasionally engaged in sex with men, but that he has never had a sexual relationship with the decedent.

37. Based on the facts set forth in this affidavit, probable cause has been established that Defendant Jermaine Brown was responsible for the shooting and burning death of the decedent. It is therefore respectfully requested that a District of Columbia Superior Court Judge issue an arrest warrant charging the Defendant Jermaine Brown with First Degree Murder While Armed - Felony Murder.

AFFIANT'S SIGNATURE:
